

NOVENA *for* LIFE 2023

January
12th to 20th

Faith Moves Mountains!

The ground is set to shake in California like never before as Catholic lay faithful, in solidarity with their priests and religious, raise their collective voice to lift and throw the mountain that stands in opposition to a culture of life into the sea. The mountain needs to hear our voice. Invoking the intercession of St. Joan of Arc along with all the angels and saints, let us continue to rise up in unity to protect the dignity of every person's life from conception to natural death.

"Amen, I say to you, if you have faith the size of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you." (Mt 17:6)"

Upcoming Walks for Life
